Lead the future

LED Android TV™
DVB-C/T2/S2
24"

In space-saving sizes of 24", the MTC6000 brings entertainment home! Whether for binge-watching in your bedroom or as a user-friendly TV in the kids' playroom: no matter where you watch, it will impress you with its clear picture and numerous functions. Thanks to the Android TV operating system, you will never run out of content. This flexible and versatile television allows you to use all current receiver technologies and comes with USB and HDMI ports to give you more room to play: you can easily share photos, videos or your favourite music directly on the TV screen. The MTC6000 comes in an unpretentious black design. Make use of the wide range of connection options that are easy to reach despite its narrow build.
